Dear Friend of Stony Brook Southampton:

We would like to offer you the opportunity to help save the college at Southampton.

As you are aware, our college is in significant risk of losing our unique and exceptional programs which focus on the environment, marine science and sustainability. We have assembled the student body, elected officials and members of the community in our effort to preserve our education. On Thursday May 20, 2010 at 7pm, Save the College at Southampton Inc. will be hosting a benefit dinner at the Atlantis Marine World 431 E. Main Street Riverhead, NY 11901. Our event will showcase the work of local artists and musicians to provide entertainment for the evening. We expect a large turnout of loyal supporters who have pledged their unwavering dedication and commitment to our goal of saving the college at Southampton.

The students of Stony Brook Southampton are asking you to help in making the night a success. We invite you to come and enjoy our benefit as well as possibly become a sponsor of the event with an advertisement in our journal which will be distributed to all attendees at the benefit.
